MASTER OF CEREMONY (MOC)

A SHORT BIOGRAPHY AND INFORMATIONS ABOUT OUR EVENT SPEAKERS

RHEMA SENG

PUBLIC RELATION PERSONNEL | HOST & MEDICAL INTERPRETER

Bachelor in Communication (Journalism & Public Relation) Journalist, Host, emcee and live interpreter 3 languages. Lead initiatives that enhance wellbeing and self-sustainability, foster youth leadership, and promote inclusive engagement through literacy, reflection, and community programs. Her work has influenced policy discussions, raised awareness on environmental and social justice

KISSA ZAHRA

A silver medalist in Environmental Engineering, is a passionate advocate for sustainability and climate action. For over five years, she has advanced environmental stewardship within corporate platforms, raising awareness on climate change, decarbonization, and responsible practices in the oil and gas sector. Through sustainability reporting and stakeholder engagement, she has championed the integration of environmental responsibility into business strategy. Known for her engaging presence, she has served as an impactful Master of Ceremony, facilitating discussions that bridge technical expertise with human connection, leaving audiences informed, inspired, and ready to take meaningful steps toward a sustainable future.

VOLUNTEER COORDINATION TEAM

MANMOHAN NATHAN

A Multimedia Technology student with a strong passion for digital innovation and creative communication. As a delegate of the Youth Dialogue Forum Dubai 2025, they bring international exposure, cross-cultural engagement, and a forward-thinking perspective to AGL 2026, contributing actively to technical coordination and media support.

EVENT POSITIONING & PURPOSE

EVENT VISION

To empower the next generation of global leaders with practical, ethical, and strategic AI capabilities transforming AI from a tool into a leadership catalyst for impact, innovation, and inclusive growth.

CORE BELIEF

AI does not replace leadership.

AI amplifies leadership when guided by purpose, ethics, and human values.

CORE EVENT TOPICS

AI & PERSONAL LEADERSHIP EFFECTIVENESS

- AI as a Productivity Multiplier for Leaders
- From Task Overload to Strategic Focus: AI for Time, Energy & Prioritization
- AI as a Personal Chief of Staff (Emails, Notes, Planning)

AI-ENHANCED SOFT SKILLS & HUMAN LEADERSHIP

- AI as a Coach for Communication & Public Speaking
- Using AI to Develop Emotional Intelligence & Empathy
- Conflict Resolution & Negotiation with AI Assistance

DECISION-MAKING & STRATEGIC THINKING

- Data-Driven Leadership: AI for Better Decisions
- Scenario Planning & Risk Forecasting Using AI
- Avoiding Decision Bias with Responsible AI Use

BREAKING BARRIERS WITH AI

- Overcoming Task Paralysis & Burnout Using AI
- AI for Language, Accessibility & Cross-Cultural Leadership
- Confidence Building for Young Leaders Through AI Support

INNOVATION, CHANGEMAKING & SOCIAL IMPACT

- From Idea to Impact: AI for Innovation & Problem Solving
- AI Tools for Community Development & Social Enterprises
- Storytelling & Vision Articulation Using AI

ETHICAL, RESPONSIBLE & INCLUSIVE AI LEADERSHIP

- Bias in AI: What Every Leader Must Know
- Ethical Decision-Making in the Age of AI
- Building Trust, Transparency & Accountability with AI

KEY LEARNINGS FOR ATTENDEES

By the end of the event, participants will:

- Understand how AI enhances leadership, not replaces it
- Use AI to increase productivity, focus, and clarity
- Apply AI to improve communication, empathy, and influence
- Make better, faster, and more informed decisions
- Overcome mental blocks, task paralysis, and language barriers
- Build ethical awareness around AI bias and misuse
- Confidently use AI to innovate, lead change, and scale impact
- Develop a personal AI leadership toolkit

GOALS & OBJECTIVES OF THE EVENT

STRATEGIC GOALS

- Prepare young leaders for AI-powered leadership roles
- Shift mindset from AI fear to AI fluency
- Promote ethical, human-centered AI adoption

LEARNING OBJECTIVES

- Equip participants with practical AI tools
- Strengthen leadership soft skills using AI
- Foster responsible AI awareness and governance thinking

IMPACT OBJECTIVES

- Create a network of AI-literate youth leaders
- Spark innovation projects using AI for social good
- Position the event as a global youth AI leadership platform

WHO SHOULD ATTEND
